Venue: Australian Technology and Agricultural College  
4808-4822 Mount Lindesay Highway North Maclean, Qld, 4280

*Hosted by*

**Australian Technology and Agricultural College  
Queensland Bushfood Association**

*Supported by*

**Australian Institute of Horticulture**

### 2023 Theme: Design and Development of Urban Landscapes for Bush Food Production

During the two-day conference, speakers will delve into the following topics through a combination of educational lectures and interactive workshops:

1. Design of urban landscapes for bush food production – including parks, gardens, rooftops etc, while taking into consideration plant selection.
  - Parks, gardens, rooftops etc
  - Plant selection
2. Development and management of Bush foods in the urban environment
3. Application and use of bush foods - including traditional uses and management
4. The culinary uses of bush foods

On Friday 26<sup>th</sup> May, there will be an opportunity to take part in a bushfoods tour to showcase the local bush food industry. **For more information email: [bushfoods@atac.qld.edu.au](mailto:bushfoods@atac.qld.edu.au)**
