

# Pacsoa Annual Show

---

## 2023 PACSOA ANNUAL SHOW AND PLANT SALE

The weekend of March 4-5, 2023 at Mt Coot-tha Botanic Gardens Auditorium, Brisbane

Hours: Saturday 9am to 4pm, Sunday 9am to 3pm

Admission \$4 / \$2 Concession

### Note: This is a Covid Safe Event

If you are unwell or have any Covid like symptoms you must not attend the show.

**Features :** An impressive display of native and exotic palms & cycads.

- Books, posters and magazines for reference and purchase.
- Experts available to ask about the suitability of palms and cycad species for your garden.
- Extensive low-cost plant and seed sale for indoors/outdoors, full sun/shade, feature/screening, fan/solitary, rare/common. So a great place to indulge your gardening passion.
- Cold drinks.
- Membership.
- Admission - \$4/\$2 concession
- All members are welcome to sell plants at the show (palms and cycads only), the only requirement is that you be a paid up member (\$15 / year).
- Set up is **Friday March 3, 9am to 5pm sharp.**
- Contact Martin Lack [martinjlack@gmail.com](mailto:martinjlack@gmail.com) for more information.

- Dozens of Australian native palm and cycad species available for sale.
- Make your garden look different; select palms and cycads not commonly grown in SE Queensland.
- Choose from a list of 40 different alternative palm varieties (see [less common SE Qld Palms \(link\)](#)).
- You'll be given this list as a handout on entry and will be able to look for examples to view (and buy).
- Discover native and exotic cycads that are NOT eaten by the cycad blue butterfly caterpillars so look great.

**Learn More :**

If you are interested, but new to palms and cycads, and are not sure what would suit your garden, have a look at the following pages to give you some idea about what's what.
